

Current report no.: 28/20242

Date: 2024-04-12

Name of the Issuer: FERRUM S.A.

Title: Update of information on a potential involvement of FERRUM's subsidiary company in supporting the construction of a nuclear power plant

Legal basis: Art. 17 item 1 MAR – inside information

Content of the report:

With reference to current report no. 27/2024 on a press release by Westinghouse Electric Company LCC [Westinghouse], the Management Board of FERRUM S.A. [Issuer, Company] informs that a subsidiary company ZKS FERRUM S.A. [ZKS FERRUM] received from Westinghouse information confirming initial assigning of ZKS FERRUM to a group of potential suppliers within the project of construction of the first nuclear power plant in Poland.

In accordance with the received information, ZKS FERRUM will take part in a subsequent phase of implementation of specific and required certification, staff training and execution of mockups under all requirements of nuclear projects.

Should ZKS FERRUM succeed in the aforementioned phase, it shall be granted with a preferred supplier status, which will entitle it to receive a potential order from within the scope of supporting construction of the nuclear power plant in Poland.

Subsequent significant events regarding ZKS FERRUM's involvement in supporting construction of nuclear power plant shall be made public by the Issuer via relevant current reports.
